Novelas Ejemplares

The Play
Our will is to stage all of Cervantes' Exemplary Novels, and time will let us do so in our theatre life. Now is the time to stage The Spanish-English Lady and The Two Maidens – two novels with women as main characters and a common issue: travelling. Travelling with three comedians from the XVII centuries, who are fixed to the stage since then, telling stories to the audiences of all the centuries. Each tale is drawn as a different world, with different languages and resources: by ship, over the sea… by horse, on land.
