# Lavani

#### The Form

It is said that the word Lavani is derived from the wordlavanya which means beauty. Lavani is a genre of music popular inMaharashtra. It is a combination of traditional song and dance, which is performed on the beats ofDholki, a percussion instrument. Lavani is noted for its powerful rhythm. This traditional form has contributed substantially to the development of Marathi folk theatre. In Maharashtra, Southern Madhya Pradesh and North Karnataka, it is performed by female performers wearing nine-yard longsaris. The songs are sung in a quick tempo.
