

Dynamic Bhubaneswar

Platform,

Being established as a contemporary theatre group in 2015, Dynamic Platform, has been producing plays since 2013. It was started with a mission to encourage the creative young talent by using theatre as a tool with systematic practice and training. The group has produced many significant plays and has participated in state as well as national theatre festivals such as International Peoples' Theatre Festival of Natya Chetana, Panchamveda, and Arohan. The group also organises children's theatre workshops to promote their creative potential and expression.
