Adishakti Laboratory for Theatre Art Research, Pondicherry

Adishakti Laboratory for Theatre Art Research was founded in 1981 in Mumbai. It now has its campus on the outskirts of Pondicherry, where artists and experts from a variety of other fields come for residency programs, sabbaticals, performances and workshops. Adishakti also engages with different spaces and disciplines. Adishakti’s work and experiments are driven, quite simply, by its comprehension of art/aesthetic practice as a unique bridge between a range of diverse realms, which are not normally, or visibly, in communication with each other.
