The Only Whole Thing / Susmita Mukherjee

I will give you a piece of my land,
I will give you a piece of my kid’s custody,
I will give you the healthier half of the meal,
I will give you the lions share of my earnings,
I will give you freedom; credit for what you have not done,
I will give you a piece of my jewels, my cars, my credit cards,
I will give you a piece of maintance, legal fees, even alimony,

But I will not give you a piece of my mind,
because even though you don’t get it,
It is the only whole thing I have,
The only land where I will find my peace,
Where I will pick up the pieces,
Into peace…
Soon, soon..
That I promise!
