

# NULL & VOID | OJASWINI TRIVEDI

You're lost in a fantasy  
A dream maybe  
Where I cease to exist.  
You seem peaceful,  
I seem greedy.

**SLING SHOT: Let's say we  
loved each other! Ojaswini

"Let's believe  
the two birds  
lived in a  
seamless crave for freedom,  
where the abyss  
melted into the horizon"
