Kaalsarp dosh In the story of *Samudramantham* both *Devas* and *Asuras* played their role in churning the ocean to get the *Somras*. Lord Vishnu was giving it to the *Devas* only hence *Rahu* disguised himself as a *Deva* and drank the nectar… when Lord Vishnu realized what he had done he took his *Sudarshan Chakra* and cut *Rahu* into two parts forming the head with *Rahu* himself and tail turned into *Ketu*.

Kaalsarp dosh means Inauspicious planetary position. It can also be auspicious depending on *Rahu* and *Ketu* placement. ***Dosha means inauspicious, Yog means auspicious*** *Rahu* and *Ketu* are two different bodies and one soul *Ketu*, eclipses planet sun who is the king of zodiac , Rahu eclipses astrological planet moon who is the queen of the zodiac.
Rahu or *Ketu* placed alone on one side of the vertical axis and rest all eight planets on the other side of vertical axis this placement forms a **Kaalsarp dosh**.

Sachin Tendulkar

This kind of a dosh can also turn into auspicious yog. For example two world class Indian cricketers, MS Dhoni and Sachin Tendulkar have this placement and they have won two world cups for India. For this one needs to be spiritually inclined as well.

MS Dhoni

Watch the discussion above. There is no fatalism here. One can

overcome ones destiny by proper ***Karma***
