

The Dance of the Hyperbole

Let us not even once, then, discount these as mere undecorated flecks, but as gigantic astronomical atoms, that pinpoint to the immense creativity and churning in the human mind. If just one of these little mites gets charged, we create a gigantic reaction in our minds. That chemical reaction is sure to explode, not to destroy but ...

Ruchi Kishore's : DIRTY CHAI, a hip hop Bollywood musical

Chai is a messy concoction of two very different cultures, two conflicting identities, and two opposing desires, just like the dirty chai she orders each morning- a perfect brew of espresso and chai (tea).

The General having crossed a Torii boundary/Archana Hebbar Colquhoun

The trajectory of my art practice takes on a zigzag path sometimes; and at other times a circuitous one or a U-turn that I didn't expect to take.
