

# **AFWAAH – a landmark film by Sudhir Mishra**

'Afwaah' is an announcement, if one were needed, of Sudhir's arrival as perhaps the most perceptive political film makers of our time . A brilliant take on the abuse of social media in India Today, it's weaponisation to serve vested political interests, fake news and its humongous and horrific impact on society, a telling comment on the grotesque systemic and personal injustices and subversion of law of the land, the inconsequence of human lives, be it a community, be it gender, abject and impotent silence of the intelligentsia.

The film is a thrilling edge-of-the-seat ride along the journey of protagonists caught in the web of a tragicomic narrative of their own creation. Each character is a real persona you can spot in your own environment. An amazing story of how conflicting narratives recoil on their own creators in a way, nobody could have predicted or anticipated.

**It is a must see film . Sudhir Mishra has arrived .**
