

# I KEEP YOU AS A POEM /

## Sangeeta Gupta

I keep you as a poem  
in the core of my existence  
I sing all day  
You my song  
You often shine as the evening star  
in my lonesome dreams  
You hold my hand  
When I am lost in the wilderness  
You, the lifeline of a poet  
I keep you as a poem  
in the core of my existence
