

'Meeyamgi Yeknaba' Written & Directed by Heisnam Tomba

Synopsis

Meeyamgi Yeknaba, a Manipuri adaptation of Henrik Ibsen's *An Enemy of the People* addresses the irrational tendencies of the masses, the hypocritical and corrupt nature of the political

system that they support. The play's heated discussion of 'Just', who should control the levers of power in a society, whether the intellectually superior, forward-thinking individual or the mindless majority should dictate public policy, makes for savoury meat to chew on. It is the story of one brave man, whose voice loud and clear as cicada, struggle to do the right thing and speak the truth is the face of extreme social intolerance.
