

# Across The Sea (Puppet Play)

## **The Play**

This is a non-verbal musical puppet performance for children aged 4 +. Across the Sea, as the title suggests, is about an adventure that takes a baby penguin from Antarctica across the sea to Africa. In this journey the baby penguin meets many new & strange creatures, and makes friends fearlessly and without judgment. This is a story of friendship between diverse people in today's global world. This play addresses issues like being separated from family, adjustments and being free of prejudice and judgment. It celebrates diversity, differences and the spirit of childhood.

## **Director's Note**

This piece was created over a month of devising with the actors of TIE (Theatre-in-Education) Company. The story of a little lost creature emerged and became the story of a lost penguin baby, separated from his family but determined to survive and make new friends. The story emerged in pieces as the actors responded to stimuli like story-telling without words, playing with material and with different forms of puppetry. The little penguin has all the qualities of little children, and lives their fantasies of travel and adventure while learning about Africa and Antarctica. We hope that with this play would make the children in the audience fall a bit in love with theatre and puppets.
