Indian Cricket is on a high these days. Winning one tournament after another has now become a routine feature for India. Bringing in just the bench strength to take on the likes of New Zealand team is a milestone that the world is watching with total disbelief. The just concluded 3-match series in 50-over format against New Zealand has left them shaken and outclassed.

The highlight of the Indian Team is that we have discovered one Surya Kumar Yadav whose range of shots takes the game to a altogether different level. As if he just descended from

MARS. The short form of his name too is SKY. He hits good balls disdainly and one can imagine the treatment meted out to bad balls. He plays all over with straight bat, horizontal bat, scoop, lap shot and what not. It is just amazing to see the range of shots he has in his arsenal. Bowlers are often left in a mad like situation when up against SKY.

We consider the other legends too, but he is the greatest, head and shoulders above them. His heroics are unparalleled and the whole cricket fraternity is singing his songs.

Opposition too is applauding his batting feat and some kind of relief rends the air when he departs. Then the contest between bat and ball starts anew.

The 'rotation policy' has brought in all the bench strength into play, particularly bowlers.

India's fast bowling strength is unbelievably amazing. We have Bhuvni, Arshdweep, Siraj, Bumrah, Shami, Pandya. They certainly have an edge over Umran Malik and many more.

In batting, the resurgence of Virat Kohli has given new dimension to batting as well. With the likes of Rohit, Ishaan Kishan, Surya, Gill, Rahul, Iyer are all in-form batters and rarin-to-go.

Amongst allrounders, Hardik, Ravinder Jadeja, Ashwin, Shardur Thakur, Axar Patel, to name a few.

Among spinners, Kuldeep Yadav, Ashwin, Chchahal and many more.

Indian fielding standard is second to none. With the intro of YOYO test as pre-requisite, every player has to maintain high-class fitness so as to survive and establish his position in the side.

We, in cricket, has reached a stage when others look up to us to emulate the feat and plan their own cricket strategy.
