Is Cricket really a game of glorious uncertainties?

Can you recognise each of these iconic cricketers?

Cricket is a funny sport. Common belief is – it is a game of glorious uncertainties. If it is so then how come Sachin scored 100 International tons? He must have reached the pinnacle so as to deal with any bowler and topple him.

People always talk of Sachin because of his enormous achievements. They do not talk of Kambli who was more gifted but unlucky not to have ticked the right boxes. Poor chap could not linger his career. People do not talk of Martin Crow, who was perhaps the best, but abandoned his career because of cancer. People talk of Viv Richards who blossomed because of army of fast bowlers and batsmen in his support and

an astute leader in Clive Lloyd.

But the lone warrior from India in 70s was none other than Sunil Gavaskar. He single-handedly dealt with enormous challenges all over the world. Virat Kohli was once hailed as Sachin's successor. Sachin scored 100 International tons in all formats of the game as against 70 by Virat. Nobody has the right to question Virat's talent and inconsistency. He has already established himself as a talent beyond imagination. At 33, he can still reinvent his batting. Dry period happened even in Sachin's career but a phone call from Sir Viv Richards enthused a self-belief in him when Sachin was considering retirement from the game. Virat too needs motivational counselling and not criticism. It is Virat and only Virat who will salvage his position in the side.

Brian Lara, another legend of the game, opinionated that do not write off Virat. He will come back with much better player. There have been instances when players just fade away and come back becomes next to impossible. Because failure for a longer period of time leaves the person hapless and shaken. Lot of debate and criticism dent the self- belief. Media these days write stories which are 'reader savvy' without considering its ill-effects. He needs support from all quarters so that his blade shines once again.

Cricket has become a '*junoon*' among the enthusiasts. Every now and then some class act appears from no-where and the show goes on and on.
