

AstroVish to Manohar Khushalani: Will This Covid Nightmare Ever End?

in December 2019, in the earths horoscope, all the planets were on one side of the vertical axis and Rahu was on the opposite side – hence creating strong negative effects of COVID 19. Why then the second wave has come, and will it ever go or are we doomed to suffer til eternity as wave after wave strikes us with Covid 19/20/21....Watch the Discussion
