The Play

Desaparecidos#43 aims to give voice to the dramatic event of the 43 Mexican students of Ayotzinapa who disappeared on 26th September 2014. It is a strong performance of great emotional impact, an artistic Re-Action to a tragic reality: the enforced disappearances afflicting Mexico, and an original dramaturgy, made not only of words but also of physical actions, sounds, songs and projected images.

Director's Note

Desaparecidos#43 is not only a performance but also an authentic act of rebellion, a work exalting freedom of opinion, expression and demonstration, which are being worldwide threatened. It is an artistic example of the international influence of mass media and globalization and how they can sensitise the public opinion and help to ask for justice. It is a hope hymn, able to let red flowers grow from a stack of bloody clothes – ‘They wanted to bury us but they didn’t know we were seeds’.
