KHAMOSHI SILI SILI by Joseph Stein

The Play

This play is a translation of *Fiddler on the Roof* written by Joseph Stein. It is a musical that deals with the displacement of communities. The story is neatly bound to the Kashmiri situation in our country. Prithvi Nath loves his daughters, and goes against the traditional norms, allowing them to marry men of their choice. Shuhul, the third daughter chooses to marry a Muslim...

Director's Note

Going along with the central theme of the play, the contemporary situation of our society took the forefront. The

final situation chosen is the plight of the Kashmiri Pandit community. This choice is to support the script with a relevant social background which can be projected on a larger canvas, and can highlight the pain and problems of the people who have been displaced from their own land.
