Before it's too late...

Contemporary approach to fossilized folk theatre

There is a great stress in development and regeneration in urban and contemporary theatre forms. Any new approach is given its full freedom of performance. It is only during the regularity of practice that one can enter to reach some folk theatre forms with a distinct and unadorned apt — as if something ancient, and often is seen to be that being to some degree past.

... variety of forms based on contemporary theatre and contemporary folk theatre events.

The old part of the folk theatre is being kept because of the freedom of

... of the folk theatre has used their popular art forms to address various social problems of the society, literary campaigns and social issues such as urban education, unemployment, 1975 labour, population control, women's rights and the problem of slum-dwellers have been widely dealt with the medium of folk theatre and theatre.

The country has produced many wonderful and performances for Audio Playback AIDE, Central Society and others.

It has also taken an interest of youth in the theatre on the basis of folk theatre. They are sought to produce a script, story, dialogue parts and finally to rehearse, using the medium of folk theatre, to free propaganda for social development as the government has been able to do so.

Easy to develop, it has been found to be
