

# The Only Whole Thing / Susmita Mukherjee

I will give you a piece of my land,  
I will give you a piece of my kid's custody,  
I will give you the healthier half of the meal,  
I will give you the lions share of my earnings,  
I will give you freedom; credit for what you have not done,  
I will give you a piece of my jewels, my cars, my credit  
cards,  
I will give you a piece of maintance, legal fees, even  
alimony,

But I will not give you a piece of my mind,  
because even though you don't get it,  
It is the only whole thing I have,  
The only land where I will find my peace,  
Where I will pick up the pieces,  
Into peace...  
Soon, soon..  
That I promise!
