This Home of many wonders / Madhup Mohta

Great Joys and little sorrows Yesterdays and tomorrows Shall now be just a memory Of snow, flowers and shadows Of friends that held hands often And loved us, prayed and hoped When we like light in darkness Just groped, groped and groped And now that time is here To kiss and say good bye I will miss this little garden And days of Roses and wine But home is where the heart is And in my heart you will remain And my heart shall be home to you With all the pleasures and pain We'll know what were our losses We'll know what was our gain

In this home of many wonders We will sit and then talk again
