The Play

This play is said to be the first poetic play in Kannada. In this play Ashwatthama, an immortal hero from *Mahabharata*, is transformed by the author to enable him to meet his tragic end. The play breaks from the traditional image of Ashwatthama as one blessed with the gift of immortality. Aswatthama in the *Mahabharata* is a bachelor while in the play he is married and has a son called Rudrashakti. Ashwatthama attempts to avenge

the death of his father (who had been deceitfully killed by the Pandavas) by attacking them at night. However, he ends up killing their young children and is so embarrassed that he takes his own life.

Director's Note

Ashwatthaman throws light on how fate plays a vital role in the life of a powerful warrior and an honest human being named Ashwatthama, his character, personality, and his relationship with his father and guru Dronacharya. This adaptation of Sophocles' *Ajax* into Kannada by B M Shri is a wonderful attempt of blending the story of Ashwatthama with the famous Greek tragedy. Being a theatre practitioner I have attempted to bring this play on stage to express my views on war. A civilization evolves with the belief in harmony with everything around it. But in war, killing other people must somehow become acceptable—morally, legally and psychologically. One way to conceive this is to imagine that the enemy is a non-human entity. Ashwatthaman, in B M Shri's haunting adaptation of Sophocles' *Ajax*, comments on the hero's crazed attempt to massacre his own comrades-in-arms, and is a metaphorical interpretation of the cruelty of war, an ongoing phenomenon from the mythological world to the contemporary world. This play is an attempt to make one realise how war is the wicked output of the human race and a paradox to the concept of civilization.
