## Walking Away — Rajesh Kanoi

Walking Away

The little things that incense us so, The seemingly big things that make us go From here to there and in circles too Will walk away one day like thieves do... Suddenly, that which grips Our poor beings so hard now Will shake themselves off from the brow And roll down some unseen cliff, Disappearing for ever, and without a bow. Why, then, must we allow ourselves To be besotted by that which is nought? Why do we our joys become hostage To thoughts and ideas, desires and rage? I shall walk away before they walk in, I shall not let my head spin -And though I might walk a lonely path I will glow with joy, I will win A war in which I alone shall fight The demons of thoughts and ideas with might. I'll head into a world that is bright Sometimes and sometimes I'll walk Into the night...
